⚠ ABOUT ME

Hello, I'm a UI/UX Designer from Brazil, living in Berlin. I hold a degree in International Relations, but I've recently switched my career to design because I was always talented with painting and illustrations and now I've found something I really love and I'm good at. I've been studying hard in the last 2 years, and after completed some cool projects, a volunteer job, I feel ready to my first professional opportunity working as a designer. Let's grow together?

⚠ WORK EXPERIENCE

VOLUNTEER UI/UX DESIGNER @mtor.io

APR 2020 - JUN 2020
Volunteer work for a mentorship platform. Responsible for creating the brand identity, logo, and the entire design process for the responsive website.

**SALES & DESIGN INTERN @meuingresso.com**

SET 2016 - SET 2017
Helped the company develop all the sales process from beginning, including lead generation strategies and leads qualification tools. But also had a close contact with the product design and marketing teams, where I could act as product design intern.
